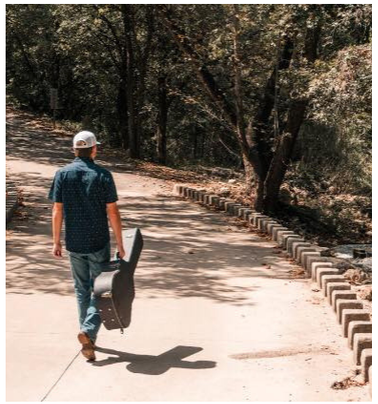
CLIENT TESTIMONIALS

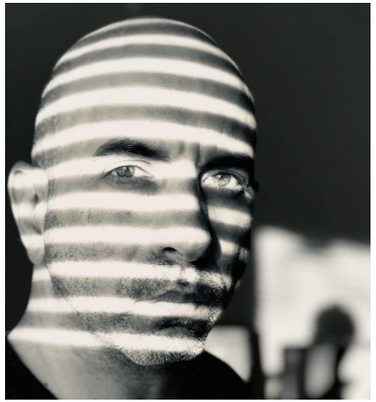
TJ TIJERINA

Met with Lawson to discuss ideas about marketing my 777 Wine Tours Business and everyone was great! She listened and then made good suggestions that we implemented right away



KYLE BROLL

Lawson is one of the hardest workers I know! She was able to help me organize and implement a marketing strategy and design posters for a personal event. She is a great person to have on your side and I highly recommend using D'Nago Marketing!



MICHAEL GIORDANO

Lawson is a consummate professional. Incredibly intelligent and talented in her own right. Most of all she is open minded and willing to listen and make an assessment from there. I'd highly recommend her for any social media marketing needs.
